

Camberford Law plc

SPECIALIST COMBINED INSURANCES MEDICAL MALPRACTICE COVERS

Specialist Combined Insurances

We can provide wide and specialist combined insurances for homes and businesses associated with the following:

- Learning difficulties
- Mental health/disabilities
- Alcohol or drug dependency/rehabilitation
- Nursing homes
- Single parent homes
- Other care homes

You are no doubt aware that insurances for the above are difficult to place and costly and we have historically written a large book of business and are confident of being of assistance to you. We have developed facilities under which appropriate covers can be arranged at competitive rates of premiums.

Insurances can be provided for Property, Liabilities, Business Interruption, Loss of Registration, Medical Malpractice/Treatment Risks.

Medical Malpractice

We are able to offer quotations for Medical Malpractice as part of the combined insurances or the cover can be provided in isolation for the types of risks stated above and many other businesses and professions.

In either case we are committed to providing the appropriate insurance covers and have developed unique facilities.

At Your Service

If you are looking for Combined Insurances or Medical Malpractice in isolation then please do communicate with us and we would be pleased to help.

To take advantage of these special arrangements, please contact our team of professionals and we would be happy to assist you.
